The concepts revealed in 7 Days To Greater Vitality were cumulated over years of personal and practical experience. Gail Gregory and Fantastic Futures® do not endorse or condone any of the authors, products, or institutions referred to in this series. These reference examples are intended to provide the listener with many different sources for obtaining information. Individuals are encouraged to evaluate authors, products, and institutions according to their own standards. The listener should always consult a qualified healthcare practitioner regarding any medical/nutritional questions and prior to alteration of prescribed medications, dietary requirements, or exercise restrictions.

*A very special thanks to all my patients for
sharing, learning, and growing with me
throughout the years.*

Before you get started...

Take a moment and familiarize yourself with the course outline.

Congratulations!! You have just taken the first step on the road to healthy living. 7 Days To Greater Vitality is a program designed to provide comprehensive information about many of the health related issues we all face every day. Gail will present easy to use routines and examples that will help improve the quality your life. We at Fantastic Futures are truly excited about the commitment you have just made toward greater well being.

This series is designed to be a one week course in health, nutrition, and empowerment. It was originally sold as a tape set but is now available to you in this ease -to-use download format. Ideally, you should listen to one download per day and on the seventh day, complete the workbook to see how much you have learned.
